flexmls *Tip!*

Create a Free Limited IDX Feed in flexmls

Created August 2018

Did you know? flexmls offers a free, limited IDX feed through their Lite Link that generates a http Web address you can place on any agent Website or blog. Here's how it works:

Set-up Instructions for Creating an IDX Link

1. Log into flexmls.

2. Click the **Menu** and select **IDX Manager**.

Portal Preferences

IDX Manager

Default Map

3. Scroll to the hyperlink that states **Retrieve IDX Lite Link**.

Let us help you find the right IDX solution today.

IDX@FBSDATA.COM   866-320-9977

Retrieve IDX Lite Link

4. Select the type of listings you want to feed onto a personal site.

Generate a IDX 2.0 lite link

◉ My Listings

○ Quick Searches

1-Residential ▾

○ Saved Searches

1st Source Bank ▾

CANCEL   **SUBMIT**

5. Click **Submit**.

6. A link will now generate. This link can be added to any Website or blog as needed.
